

Pump up the colour with Perfect Mousse

Perfect Mousse is Schwarzkopf's first permanent foam colouration, for long-lasting, vibrant hair colour.

Infused with soya protein and orchid extract, the light, fluffy ammonia-free formula is exceptionally gentle on hair, while still providing 100% grey coverage.

Designed with the busy woman in mind, Perfect Mousse couldn't be easier to use. Simply pour the contents of the colourant bottle into the activator bottle, screw on the unique foam dispenser pump and gently turn the bottle upside down three times. Now you are ready to effortlessly apply the Perfect Mousse hair colourant.

Colour application is really easy and the pleasant smelling colour mousse allows for drip-free, even coverage. Because the mousse is applied like a shampoo, it achieves complete coverage of every single hair strand – even in those hard to see and reach places on the back of your head.

Available exclusively at Clicks Stores in ten trendy, vibrant colours like Cassis Velvet Brown and Light Golden Brown, Perfect Mousse provides an intensive, glossy shine guaranteed to turn heads. For superior, non-damaging hair colour with the simplest possible application delivery method, move to the modern woman's colourant choice – Perfect Mousse.
